

WE PROUDLY REPRESENT THE FOLLOWING MANUFACTURERS

- **GE POWER and WATER**

Media Filter Systems:

- E-Series Pretreatment
- Pro Series
- Titan Series

Reverse Osmosis Systems:

(0.2 GPM to 600 GPM)

- Economy Series
- Pro Series
- Hollow Fiber NF Series

GE Parts: Filters, Membranes and
OEM Replacement parts

- **TEFSA FILTERS**

Belt Presses:

- MS Series
- OS & OCS Series
- BS & BSPP Series

Filter Presses:

Overhead Series:

- PSEH & PEH

Membrane Series

Fast Filter—PFO Series

- **ADVANCED UV**

Treatment from 2 to 600 GPM

- **CLEARWATER OZONE**

Up to 100 grams/hour systems

- **GKD**

Replacement Belts for all Belt Filters
(.5 meter to 3.0 meter belt width)

40+ YEARS OF EXPERIENCE

SoCal has been incorporated since 2002 and is employee owned. Our Goal is to provide a conscientious and valuable service to our customers. SoCal acquired TefsaUSA in 2013 giving us greater access in all forms of water filtration. Please come and visit our website at anytime www.socalwatertreatment.com for water treatment news, term definitions, engineering calculations or answers to any of your water treatment questions. Call us if you would like to optimize your RO, filtration or chemical treatment systems. We have 40+ years of experience in industrial and commercial water treatment. SoCal has a staff with experience in process engineering, maintenance, machine design, controls and water treatment from ultrapure through water reuse.

CUSTOMERS INCLUDE:

- Boeing
- TECT Power
- US Prefinished Metals
- Shaw Environmental
- Alcoa Corp
- Goodrich
- Parker Hannifin
- ToRicos Poultry
- Tampa Bay Water
- Abengoa Solar-Mojave Solar Plant
- Baxter International, Inc.

SoCAL SERVICES:

We offer a variety of services, including shutdown and regular maintenance, machine rebuilding, installation, verification, piping, process controls and process automation, testing, compliance, permitting, certification and operation of equipment.
